Dedicated entertainment at the Hospitium

Think Tank Entertainment are proud to provide the Music, DJ's and Bands at the Hospitium and we specialise in ensuring the quality and smooth running of your event. Based here in York with over 15 years behind us, you can be sure that we will provide the Entertainment you want for the Wedding you deserve.

We will discuss your requirements with you from the moment you book, to the day of the Ceremony and have a range of DJ packages dependent on how much you want to be involved in your choice of music or just leave it to us to entertain your guests. Our DJ's will know the music you want to be played, and as importantly the music you don't want to be played.

Along with your dedicated DJ we can also provide a range of other musical entertainment and will fully co ordinate all your music and entertainment for you on your big day.
