By choosing to get married at the **Hospitium** and **York Museum Gardens**, you're helping support **York Museums Trust**, a charitable organisation dedicated to bringing art, history and science to life.

The Hospitium

Our 14th century building has always been a place of hospitality, from a guest house for the monks of St Mary's Abbey, to a unique and beautiful wedding venue today.

Our warm and friendly team are here to guide you through your day and welcome you and your guests into our historic building, providing you with all the amenities you could need.

Set within the botanical York Museum Gardens in the heart of the city, it is an incredible location to entertain guests and capture moments on camera.

With the ruins of St Mary's Abbey, there is no better backdrop to your day.

Easy to get to with plenty of wonderful accommodation nearby, it's a hidden gem within this beautiful city.

We look forward to welcoming you.

Main Room Downstairs

We are licensed to hold civil ceremonies in our main room downstairs. With its tall, leaded windows it creates a bright and airy feel. The stone walls and pillars make this a truly unique space, which looks beautiful with or without decorations. The perfect location to say 'I do'.

Main Room Upstairs

With wooden beams and leaded windows, this room is a striking space to host your wedding reception.

You and your guests will enjoy uninterrupted views over the river, Abbey ruins and gardens.

Our Gardens

The Hospitium is a two-storey Grade II listed building steeped in history and overlooked by the striking ruins of St Mary's Abbey, set in the beautiful and award-winning York Museum Gardens.
